- Muskie Community Center on September 24, 9 a.m. to 2 p.m. in Waterville (Contact Beth W. 207-408-5742)

**EAI Weekend:** The FA Maine Chapter will not meet at the usual time and place in November. Instead, we invite members to attend a special meeting: EAI Service Support Weekend in Dedham, MA, November 12 and 13. The weekend is an opportunity to meet with members from the International Fellowship of EAI. This year's theme is *Unified in Service* and will include qualifications and interactive exchanges on a variety of topics including: the tool of sponsorship, new literature, reaching the newcomer, and life on the frontier. FMI go to the FA website or pick up a trifold on your literature table. Registration is open online now.

**The next FA Maine Chapter Meeting is Sunday September 18th from 9:30-11:30am at Maine General Medical Center in Augusta.** FMI Contact Shirley H. at 207-837-8053, or email MEchair@foodaddicts.org.

**EAI Weekend:** The decision to not hold the usual November Chapter Meeting in Augusta and to encourage as many FA Chapter Members to attend the November EAI Service Support Weekend was made by the Chapter Body at the July 18<sup>th</sup> Meeting. The Chapter Board consulted with the Bylaws Chair at EAI. The EAI Weekend is considered a Special Meeting of the Maine Chapter. Consider booking a room and inviting FA Fellows who don't usually attend Chapter to join you for a fun, informative weekend that will help boost recovery.

**FA Books:** Your meeting will save on shipping costs by buying FA Books at the monthly Chapter meeting.

**FA Maine Chapter, PO Box 373, Augusta, Maine, 04332-0373, 207-775-2132**
